

PRESS RELEASE

GE Medical Systems Selects Final Support, Inc.

Fort Worth, Texas – December 30, 2003 – **GE Medical Systems (GEMS IT)** signs exclusive marketing agreement with **Final Support, Inc.** for 1-5 doctor market.

GE Medical Systems I.T., leaders in physician practice management and electronic patient records software, has entered into a five-year marketing agreement with Final Support, Inc. of Fort Worth, Texas, to be their exclusive reseller for Texas, Oklahoma and New Mexico.

Effective January 1, 2004, Final Support will sell, support, and train physician practices in the three state area who purchase Centricity Physician Office Practice Management (PM) (formerly Millbrook) and Centricity Physician Office Electronic Medical Records (EMR) (formerly Logician).

Under this agreement Final Support will be responsible for maintaining its' current client base, located nationwide, as well as providing GE software to all new clients. Final Support will also market upgrades and software support to all GE/Millbrook clients throughout the three states.

Final Support is excited about partnering with GE and is in the process of increasing its' organization to accommodate the expected growth from their agreement with GE.

Final Support provides automation solutions exclusively for healthcare providers. They currently service over 1800 doctors in the three state areas.
