

Active, Inactive Old Patients

Input Parameters

Last visit date before

WARNING

This report can make data changes in your system. Please read these instructions carefully.

This report gives you the opportunity to inactivate patients in your database. When you close this window you will be prompted by the system to update your database. If you select **Yes** the patients will be marked inactive. If you are not sure you want to proceed then select **No**.

Criteria used:

Inactivate patients with a last visit date before:

12/31/2004
